2) Reference is invited to the Mahajan's regarding the Consent of the people of the 5 villages in question. It will be seen that they have been signed mostly by the Shanbhogues & Patels, who happen to be in charge of other villages also & cannot therefore be said to be the residents of all the villages. What is required is the Consent of the villagers for the extension proposed (Vide Rev Cons dockets dt 29.5.25), and it is not clear how the same person can signify consent in respect of two or more villages. -- 3) The R.C. recommends the proposal. SIR,

I have the honor to state that the Deputy Commissioner, Kolar District, recommended in his memo No. O.C.2629/24-25 dated 16th May 1925 that the jurisdiction of the village Munsiff's court at Iragampalli, Munganahalli Hobli, Chintamani Taluk whose formation was sanctioned in Government Order No. J.433/Cts.29-15-2 dated 3rd August 1915, may be extended over the six villages, viz, Seetharampura, Nallaguttahalli, Raghuttahalli, Guntihalli, Ethamakalahalli and Mykepothahalli. Thereupon the Deputy Commissioner was requested in this office docket No. 3493/24-25 dated 27th May 1925 to obtain and forward statements from the villagers and patels of these villages signifying their consent to the proposal and also to give the distance of each of these villages from the village Munsiff's court. He has now retransmitted the records with the required information and it is seen therefrom that the villagers of the five villages (except the last) are willing to place themselves under the jurisdiction of the said court. It is also reported that these five villages are within a distance ranging from half a mile to one and half a mile from Iragampalli. I therefore request you to kindly obtain the sanction of Government in the matter.
